

National Committee for Responsive Philanthropy

(Washington, DC)

General Support

Total Award: \$20,000 over 1 year

For membership and general support of the National Committee for Responsive Philanthropy (NCRP). NCRP works to strengthen and preserve the nonprofit sector and improve its ability to represent and serve politically, economically, or socially disadvantaged populations, by promoting greater philanthropic transparency and accountability, and responsiveness to these individuals. NCRP conducts research on and advocates for philanthropic policies and practices that are more relevant to critical public needs and increased philanthropic access by and accountability to populations with the least wealth and least opportunity in society.
