Spirit of Geneva -- From the Ground Up

\$61,600 over 1 year

To support *Spirit of Geneva -- From the Ground Up* to generate greater dialogue within the American Jewish community and to organize an alternative pro-Israel Jewish voice in order to encourage the U.S. to work toward the realization of a just peace. Brit Tzedek v'Shalom (BTS), the Jewish Alliance for Justice and Peace, is a national organization of American Jews deeply committed to Israel's well-being through the achievement of a negotiated settlement to the Israeli-Palestinian conflict. *Spirit of Geneva -- From the Ground Up* will mobilize and strengthen BTS's extensive grassroots network and educate and advocate for support of a negotiated compromise embodied by the spirit of the Geneva Accord. BTS will work to achieve this by further developing their grassroots chapters through community organizing, education, advocacy, and local media coverage.
